# Free talks & competition to win a mobile phone!

## This event is free to attend

Employers will be ready to talk to you about their jobs and apprenticeships (across various sectors) and you'll also find a range of organisations providing support, advice, training, traineeships and education courses.

Throughout the event, there will be talks offering CV and application tips, insights into what its like to work at different companies and more. This is a fantastic chance to engage with potential employers directly, collect information, express your interest in available jobs, ask questions or even participate in a mini interview.

For more details please speak to your work coach or contact One Front Door, both of which provide free advice and support for job seekers.

## Scan me

One Front Door is funded and managed by the West of England Combined Authority, led by Metro Mayor Dan Norris and delivered by Bristol City Council in partnership with Skills Connect.
